

HIGH PERFORMANCE KINESIOLOGY TAPE

- High Performance
- Maximize Your Results
- Keep in Control

PhysioTape No. 1 is a high-quality water-repellent, elastic and adhesive sports tape that can be worn on the skin for several days. It is made out of cotton fabric and an acrylic adhesive that does not contain latex.

PHYSIOTAPE NO. 1 FEATURES

- Lightweight and nonrestrictive
- Elasticity characteristics similar to those of human skin.
- Hypo-allergenic backing reduces the risk of skin irritations.
- Air- and water-permeable, while still being water resistant.
- Can be worn for several days (4-5 days).
